Tournament Comments

A massive thanks to all the team who helped set up the evening before, many hands make light work

Our gratitude, as always go to our Judges for the day Gary Bellamy, Kevin Thurlow, Tracey Jackson and Paul Jackson.

Many Thanks to Peter Sweetman whose help compiling the results always ensures a swift presentation.

Special thanks to our Lord Patron, Mr Miguel Brito

Without all the help breaking the range down and loading the van so quickly we would have over run , so thanks to everyone who helped with the packing away and help at the new county container.

A warm thank you to all the archers who came upto me and thanked me for organising the event, It is all voluntary and your personal thanks mean everything.

A big thank you to Egertec Targets for the supply of target faces and raffle prizes.

If I have forgotten anyone, then please know, that without your help it would have been harder to run on the day.

On a final note - Please think about helping to organise these events. There are only 5 events we organise a year and if we do not have organisers forth coming we may have to cancel some of them. Please get involved and support YOUR County I am always happy to run through what's needed and help you organise any event.

If you have got this far then please help me to make these championships even better for you .

2 Days next year ??

Different venue ??

Please let me know your thoughts
