

# Target Outdoor Junior Age Limits To Claim Records

This document defines the junior age limits to claim target outdoor records. It is based on the Archery GB Rules of Shooting rule 308. The age category an archer completes under will not change for a given calendar year. The age category for a calendar year is based on the archers age on 31st December of that year. For example if an archer starts 2023 aged 15 and is 16 on or before 31st December 2023 then they compete in the U18 or U21 categories for the whole of 2023, they are **not eligible** for the U14 or U16 categories in 2023. For clarity these age limits are only for claiming records, any junior can shoot any round they wish to shoot at any age.
